

AHD Pasture-borne Nematode Cases

Take Homes:

- Gain an appreciation for the efforts needed to manage pasture-borne nematodes.
- Gain an awareness of some of the issues for cases involving Pasture-borne nematodes.

Instructions:

For all 4 cases:

- These are not graded.
- Questions for quizzes and exams will not come directly from them, but general concepts illustrated in them may be tested.
- Don't turn them in, just be ready to discuss them in class.
- Work as you please:
 - Individually, in groups, whole class, etc.
 - Students may swap assignments
 - Open Book, see Pasture-borne Nematode lecture if needed
